

2026 State Fair ET Video Display Release

During the Kansas State Fair, Engineering Technology exhibitors that provide videos of their exhibit have the opportunity to be considered for inclusion in a video display with other exhibitors. This video display will include the video included in the exhibitor's project packet illustrating the work they have done. The Engineering Technology State Fair video display will be shown in Centennial Hall during the State Fair. State extension staff, judges, and superintendents will review the videos in the exhibit packets for content and select videos deemed appropriate based on content and time allotted. To be considered for and included in this video display this form must be completed in its entirety, failure to do so will exclude the video from being displayed in the Engineering Technology video display at the Kansas State Fair.

Publicity Release

Publicity Release I waive any rights to and consent to the recording and use of my or my child's name, image, and Likeness by the Local Extension Unit, Kansas State University (including the State 4-H Office), and the Kansas 4-H Foundation (collectively, "Releasees"). I understand and voluntarily authorize the Releasees to: (1) record my or my child's participation and appearance using video, audio, photo, writing, electronic means, and/or any other medium (collectively referred to as "Media"); (2) use, reproduce, and/or publish my or my child's name, image, or Likeness (meaning voice, biographical material, and/or other private and/or public facts and/or opinions) in connection with or separate from these Media; (3) exhibit and distribute such Media and/or name, image, or Likeness in whole or in part, without restrictions or limitation, for any communications, educational, marketing, advertising, publicizing, promotional, and/or any other purpose which the Releasees deem appropriate. I understand and consent that my or my child's name, image, and Likeness and any Media may be posted on and/or accessible to the public via the Internet and other media. I waive any right that I or my child may have to inspect and/or approve any finished Media, name, image, or Likeness products or the use to which it may be applied, and I understand and consent that neither I nor my child will receive financial compensation in exchange for use of the Media, name, image, and/or Likeness. Without limiting the foregoing releases, waivers, and discharges, I (and on behalf of the successors) specifically hold the Releasees harmless from any and all types of liability related to the Media and/or name, image, or Likeness, including without limitation, for negligence or invasion of privacy of any and all types, and for damages to my person, property, and/or reputation, including without limitation damages related to any blurring, distortion, alteration, or optical illusion that may occur and/or be produced in any manner whatsoever. I understand that if I mark ' I Do Not Agree ' to this publicity release, Kansas State Fair Engineering Technology Video Display will not be displayed in person or on the website. Additional examples that will also follow suit include (but are not limited to): State and local contests, State and local press releases, Photographs, Social media posts, etc.

_____ YES, I wish, for myself or my child, to be considered for the Engineering Technology Video Display at the Kansas State Fair and agree to the above publicity release.

_____ NO, I Do Not Agree for myself or my child to participate in the Engineering Video Display at the Kansas State Fair.
